His discoveries, many made in Wyoming during the 1890s, are only part of what made this man a legend. This felt like more of a basic intro type book to both dinosaurs and Christianity.

## The 10 Best Dinosaur Books

Still though, a complete embarrassment, and yet another reminder that I wish I grew up in a non-christian family. They all get together to dance, of course! One of those Christians who kind of accept the evolutionary reasons for dinosaurs even if you've not admitted it aloud. Basic facts regarding fossils, footprints and creatures from a Biblical worldview.
