Plans

The more you do before the earthquake shakes your space, the less damage you will have and the more points you will earn.

Plans

King County recently kicked off a county-wide, two-year planning process for crafting a comprehensive long-term recovery strategy following a major earthquake or other catastrophe. To learn more click. Communication plan status report —Life safety information communication report.

Comprehensive Emergency Management Plan

Emergency Management Plans The City is guided by a Comprehensive Emergency Management Plan CEMP.
