**1940**

On June 16, 1941, twenty-two thousand African Americans rallied at Madison Square Garden in support of A.

## Harlem Population & Demographics, Median Income

By 1920, the percentage had risen to 32%, and it reached 70% in 1930.

## Population and Housing in East Harlem 1950

And all this, in addition, often embodied in the skyscraper, whose refined technology gladdens the heart of technocratic architectural sculptors but pushes its occupants into a highly organized, beehive type of community life for which most American families have no desire and little aptitude. In 1969 and 1970, a regional chapter of the which were reorganized from a neighborhood street gang in Chicago by , ran several programs including a Free Breakfast for Children and a Free Health Clinic to help Latino and poor families. We de-duplicate records with identical addresses, unit numbers, eviction date, and marshal last names.

## East Harlem

King left the Drifters in 1960 and embarked on a successful solo career. The issue of gentrification is a global issue.

## The Source

Surprisingly, most Harlem businesses were not owned by African Americans, who were a majority of area residents. Communism gained a following in Harlem in the 1930s, and continued to play a role through the 1940s. By 1970, about five million African Americans had migrated.
