### 'The railways got very wealthy on our land': How rail's colonial past made it a target for blockades

Perhaps the most successful of these ventures was the Railway, which reached in 1932. .

#### RAC

GO Transit's parent agency, , also operates the , an between Union Station and. Now she fears that pollution caused by the pipeline will kill the salmon and render the river water.

#### Urban rail transit in Canada

On March 21, 2019, Metrolinx announced that the most of the downtown loop would be deferred to a later date due to financial restrictions, although a short spur to a stop at would remain. The two ends are connected through a central section that runs under in downtown Montreal. As it needs no pre-planning it's ideal for the return part of a day trip from Toronto, as you don't need to commit to a specific time to come back.

#### Train travel in Canada

Galt raised another £53,000 in England and his land company to get the project moving. That means putting enough resources into a fast, frequent rail network as necessary to minimize at-grade crossings and assemble properties that follow the most direct routes.
