## The Abominations of Homosexuality, Transgenderism, Transvestism, and Sexual Immorality

Postop women shouldn't be afraid to let out loud moans or screams when they come.

## The 11 most common questions about transvestites and transvestism

The skin flaps are sutured and placed in position in the vaginal cavity. There is often an exaggerated fear that the transvestite wants a sex-change.

## Transvestic Fetishism (302.3)

When these outside influences are absent, individuals with less severe cases are typically able to function in a normal sexual manner.

## Transsexual Sex Reassignment Surgery (male to female)

Fortunately, things aren't this bad anymore in most places.
