## Netter's Gastroenterology

A templated format offers a quick and memorable summary of nearly 300 of the most commonly encountered clinical conditions, from the classic to more contemporary, while hundreds of vivid Netter illustrations depict key anatomic structures and highlight important concepts. Floch, MD, Clinical Professor of Medicine, Section of Gastroenterology and Nutrition, Yale University School of Medicine, Norwalk Hospital, Norwalk, CT; Neil R. Floch is renowned for his work in gastric and intestinal diseases and probiotics.
