### Yao Ying nian pu. (edition)

Just like himself, even if he didn't think about love at first, he would answer silently because it was him who brought it up. While Yao Xiang fled, more than 5,000 men in Luoyang abandoned their families to join him during the night, and when rumours of Yao Xiang's death circulated, the men and women of Xuchang and Luoyang mourned him. The southlands were almost immediately charmed by Yao Xiang's personality and respected him greatly.

### Shao Nianlu nian pu / Yao Mingda zhu

These formulas are also used in. Although Xiang suffered major losses from time to time, his charismatic personality allowed him to win and keep the support of the people wherever he went. In the battle, Yao Xiang's horse was shot, so Yao Chang gave his horse to Xiang to allow him to escape.

### Ai Dao Wan Nian

His first recorded military action was in 350 amidst the aftermath of usurpation of the Later Zhao government.
