his son did and continue his loyalty to the King? He comes across as rather narcissistic and self-indulgent. British forces seized control of other cities, including 1777 , 1778—83 , and 1780—82.

0316733652

Clark, Movements of Political Protest in Canada, 1640—1840 1959 , pp. Thus given his coldness and selfishness, it is no surprise that relations with William, while close at times, ultimately fail. The royalists were not all villainous, bad people.

William Franklin Papers :: American Philosophical Society

While he was a great patriot, he wasn't a very nice person. The British government acted in expectation of that, especially in the southern campaigns in 1780—81. In fact, after the Revolution, they spoke only once to each other.

US Politics Am Revolution Little Revenge William Benjamin Franklin DJ 1st 1984

He supported the Tory thinking while Ben supported the cause of the American people. But when the American Revolution broke out and William refused to follow his father and remained loyal to the British Crown, an enmity developed that was frightening in its ferocity.

Loyalist (American Revolution)

One wonders if this had not happened, would Ben Franklin have thought more as
