### Policing the Future: 7 Key Challenges Facing Law Enforcement

There is a national temperament for immediate and widespread police reform. Or will they instead assess us as committers of crimes that have yet to occur? In fact, the city was down almost 50 officers since the same time last year, he said.

### Police Shortage Hits Cities and Small Towns Across the Country

Body cameras are just one aspect of the effort to resolve negative public perceptions of the police and to instill public trust and confidence. Supervisors ought to be trained in how to conduct fair and thorough investigations, which in the long run will enable police forces to remove bad actors.

### 25 Contemporary Issues in Law Enforcement: Includes a Scenario Driven Assignment Guide

Respect the Badge and the Office The badge is a symbol of public faith.

### U.S. Cops Are Facing a Recruitment Crisis. Will It Force Them to Change Their Ways?

In coordination with stakeholders, law enforcement will play a critical role in balancing the collection of data with privacy.

### Critical issues and trends facing law enforcement in 2019

Paul is a past and present member of several professional groups and associations.

### The biggest challenges facing policing in America

The police cannot do their job without that understanding and clarification. Police can benefit from corrections re-entry programs, providing they use risk-assessment tools that have been improved and validated.

## **The Change We Need: 5 Issues that Should Be Part of Efforts to Reform Policing in Local Communities**

The proposals were largely ignored at the time and pushed aside by the Trump administration's on law-and-order policing even as crime rates.
