## Coast Guard Halts Illegal Dive Boat Operation Near Rincon, Puerto Rico

Just off the aft berth, up a couple steps and out the wood panel door, with original brass hardware, to a semi-enclosed observation deck, aft open on 3 sides with a full roof and enclosed half wall below and beam ceiling. This article needs additional citations for.

## CGC INGHAM Museum

In 1993, the Coast Guard activated a Command in the Pacific to attend simultaneously to both seas and thus fulfill its functions of defense of national sovereignty, control of fishing, repression of contraband, search and rescue, protection of the marine environment and natural resources.

## “Coast Guard sets record for illegal fishing vessel interdictions”

In summer months, a short sleeved, open-necked shirt may be worn instead of the tie and jumper. In 1931 in England there were 193 stations and 339 auxiliary stations; in 1974 there were still 127 stations permanently manned and 245 auxiliary stations. It would not take much to make a fun live-aboard or a get-away cabin floating or on the hard.

## Three Mexican lancha boat crews interdicted

This has resulted in a drastic increase in lancha interdictions, according to the agency.

## Three Mexican lancha boat crews interdicted

The Costa Rican Coast Guard is generally weak on maintenance issues.

## Coast Guard Nabs 2 Drug Smugglers With \$8.5 Million In Cocaine On Boat At Sea

Three lancha boats, with fishing gear onboard, along with 496 total pounds of illegal catch were seized. A lancha is a fishing boat used by Mexican

fishermen that is approximately 20-30 feet long with a slender profile, having one outboard motor, and is capable of traveling at speeds exceeding 30 mph.

### **Coast Guard Interdicts Lancha Crews Illegally Fishing U.S. Waters**

Efficiency drives in the 1990s made Her Majesty's Coastguard a government executive agency, then in 1998 the Marine Safety Agency and the Coastguard Agency were joined to become the MCA. Kurtis Mees, Coast Guard Station South Padre Island commanding officer.

### **Coast Guard interdicts lancha crews illegally fishing US waters**

Coast Guard and Texas Game Wardens are making their stand. The Maritime Operations Officer will use the correct chart or map for the area and they are trained to ask questions that will help the caller identify where they are.
