**EconPapers: Lives of the Laureates, Fourth Edition: Eighteen Nobel Economists, vol 1**

. The announcement of the 2008 in Stockholm. These lectures demonstrate the richness and diversity of contemporary economic thought.

**Lives of the Laureates, fifth edition: 9780262012768**

Those of us who are credited with having made advances in understandings, even breakthroughs, do not fully understand how they arise and get developed. Stigler -- James Tobin -- Franco Modigliani -- James M. The reader will find that paths cross in unexpected ways--that disparate thinkers were often influenced by the same teachers--and that luck as well as hard work plays a role in the process of scientific discovery.

**EconPapers: Lives of the Laureates, Fourth Edition: Eighteen Nobel Economists, vol 1**

. I am not ready to announce my retirement. Gossen was a genius, but nothing in the development of utility theory is different for his having lived.

**Lives of the Laureates: Twenty**

. These lectures demonstrate the richness and diversity of contemporary economic thought.

**William Breit and Barry T. Hirsch, Lives of the Laureates: Twenty**

The essays not only provide unique insights into major economic ideas of our time but also shed light on the processes of intellectual discovery and creativity. The winner of the prize was.
