### Fabric Guru: Upholstery Fabric

Silk, satin, denim, knit, jersey, faux leather, and faux fur are some of the more difficult fabrics. We treat each order as if it were our own — providing generous cuts, neat folding, secure packaging and deliveries that are on their way to you by the next business day! For processes like tie-dye and batik, some folks prefer optical or at least well bleached fabric so it is as white as possible in areas with no dye.

### Fabric

In business since 1999, we are the provider that specializes in offering a wide range of closeouts, designer remnants and the latest in brand-name fabrics, including upholstery fabric. Since 1956 Fashion Fabrics Club © has been connecting with Fabric Enthusiasts through our common love of fabric. Shop our selection of quilting fabrics, wide backing fabrics, quilt kits, fat quarters, jelly rolls, layer cakes and charm squares.

Our friendly, knowledgeable staff will be delighted to help you 207 784-7151. If you're making a garment to wear, you'll want to choose your favorite colors or the colors that suit you best. Customers have reupholstered vintage furniture and boat seats, created gorgeous drapery and bedding, and even crafted apparel for pets! While they can make beautiful garments and home decor items, you may want to wait until you have some experience under your belt before you work with any of them.

### Purchase Quilting Fabric by the Yard

Alternatively, linen, cotton, wool, and polyester tend to be much easier for beginners to sew. You've come to the right place! We carry remnants, closeouts, and most of our upholstery fabric sold by the yard is limited quantity - when-it's-gone-it's-gone and we don't reorder! Popular for tie-dye, batik, silk painting, quilting, garment making and much more! It's still possible to pick the ideal material for your project. And now, we've even added some beautiful dyed silks for your sewing enjoyment! Even better, you can find them at affordable rates that work for you.
