## Paracas

Body ornaments of gold, silver, copper, and alloys were frequently inlaid with turquoise and lapis lazuli. Because most of the Paracas textiles are a composite of cotton and camelid wool, there is no single ideal setting for public display.

## Paracas culture

Some portions of the figure are embroidered with the background color, giving a more ephemeral, less densely organized appearance Fig. Peruvian southern coastal art has always been more influenced by schematized textile designs, rather than by the clay and metal sculpture that promoted the realism of northern Peruvian art.

## MOCA MOVING IMAGES: PARACAS

Experience the beauty of the cliffs and the mysticism and energy of the Lord of the Golden Mountain Kori-Apu. The textiles representing Block Colour style differ from those of the linear style notably. This place is perfect to rest from the city, because its warm weather and beautiful beaches.

## The Paracas Textile

Chavín de Huántar is composed of a series of platforms and temples with corbel vaults in some of the corridors. SOLO TRAVELERS Fancy an insta-perfect photoshoot from your Paracas vacation? The Paracas and other contemporary communities laid the foundations for the later societies of the Andes, including the Inca.

## Paracas Culture: Art, Food and Heritage

The textiles would have required many hours of work as the plain wrappings were very large and the clothing was finely woven and embroidered. Visit the lagoon of La Huacachina Included.
