Family Devotions

She flashed a pleading look at Tammy.

Today's Family Devotional

We encourage you to keep it fresh and interesting for each person. But to have kids who are actively growing in their faith, they need parents who are pouring into them. Each reading is only one to two paragraphs but it does a brilliant job of explaining the Bible verses in a way that kids can easily understand.

What's The Point Of Family Devotions?

Consider reading the epistles slowly, a few verses per day, taking time to discuss and apply them. Gayle sat at her desk with her face buried in her folded arms.
