### Patchwork Fashion Trend for Winter

It needs to be 8 inches wider and longer than the finished quilt top. Norbert Lynton, then Professor of the History of Art at Sussex University, reviewed the exhibition for the Guardian newspaper in an enthusiastic though slightly patronising tone which, perhaps, showed his ignorance of the use of needlecraft as a form of expression dating back thousands of years, so unused was he to regarding mere sewing as Art. Peggy R has worked her magic on it and created a Paper Pieced Heron for all of us at The Inbox Jaunt! To make the corners: 1.
