Box 2 Saying he should like to have Griffith use both selections, especially the lines from the long poem, and hoping Richard Thornton will see it as they do. Box 2 Commenting on an editorial in the Springfield Union, and asking that Green check to see if there are any packages waiting for him as he is expecting a package of books needing to be autographed. At the beginning of 1793, in view of the approaching war with France in 1792, Amherst - though now 76 years of age - was recalled to active duty and appointed commander-in-chief with a seat in the cabinet.
