## Patrick White

But there is another side, a part of White that strains away from the dualism of idealism versus despair and towards a vital wholeness that can be found, not in a world beyond the one we live in, but in human relationships. Yet, according to the author, questioning is in order for Patrick White is a man divided. Yet, according to the author, questioning is in order - for Patrick White is a man divided.

The book also contained a brief and revealing account of his allegedly 'ungracious' reception of the Nobel Prize. This leads him as a novelist to devalue human life and to impose arbitrary, symbolic resolutions on his novels.

## MacSphere: Dissociation and Wholeness in Patrick White's Fiction

It is this side of Patrick White, argues Laurence Steven, that is the source of his genuine power as a novelist. But there is another side, a part of White that strains away from the dualism of idealism versus despair and towards a vital wholeness that can be found, not in a world beyond the one we live in, but in human relationships. Howell is an extremely straightforward activity.
