THE NURTURING SIDE OF ANNIE SULLIVAN & HELEN KELLER

What she truly needed at this stage to help her discard the negative influences of Tewksbury and allow her to grow healthily in spirit as well as in mind was care and compassion, not ridicule.

Anne Sullivan

At the age of five, Sullivan contracted , an eye disease, which left her partially blind and without reading or writing skills. She was inexperienced as a teacher.

Harrity, Richard, and Ralph G. Popularized through plays and movies, it is an unparalleled chronicle of courage and a timeless testament to human strength.

Teacher: Anne Sullivan Macy; a tribute by the foster

Despite not knowing where it came from or how it got there, she awoke to a new awareness of being able to talk and listen with her hands. She was born on June 27, 1880, and every indication pointed to the fact that she would be an intelligent and promising child; however, both her parents and Helen were robbed of this hope when she was only nineteen months old by an illness that left her blind and deaf. It was the beginning of a 49-year relationship: Sullivan evolved from teacher, to governess, and finally to companion and friend.

THE NURTURING SIDE OF ANNIE SULLIVAN & HELEN KELLER

Just as Annie Sullivan had been a maternal figure for her, Helen, in a sense, became a mother figure and an advocate for the blind and deaf. Sullivan also remained a close companion to Keller and continued to assist in her education, which ultimately included a degree from The Miracle Worker then moved to Broadway and later was produced as a.

Teacher, Anne Sullivan Macy: A Tribute by the Foster

She understood that her only escape from the pitiful state of the other inhabitants of Tewksbury was education, and saw her chance when the State Board of Charities sent a commission to investigate the abominable conditions of the poorhouse.
