**BJJ Gis, Jiu Jitsu Rashguards, Grappling Shorts, Judo Gear**

Hayama rejects his ideas and reveals that he hates Hachiman.

**Urban Dictionary: fujoshi**

Instead, Hachiman gives advice to Hayato, telling him he can do what he wants and advises him that the science courses have fewer people and he could be himself. Thenceforth, they refer to each other as partners , and Yukino directly confesses her feelings to Hachiman at the conclusion of the prom that they organized.

**Shakunetsu Hadoken**

They meet later during the Christmas collaboration event. Hachiman mistrusts nice girls because he believes they either have an ulterior motive or don't mean what they say.

**Hachiman Hikigaya/Relationships**

When Tobe gives his request to the Service Club, she defends Hachiman's previous actions and asks Tobe to stop being rude to him

**Where to go in Fuji**

Yoshiteru trusts Hachiman enough to share with him his ambitions of becoming a writer, and Hachiman cares enough or can tolerate him enough to help him out by giving him harsh and critical, yet meaningful, feedback. She has an unhealthy obsession with him being her lapdog but is a nice girl.

**Shichi**

Shizune loves Junichi and doesn't like that he's dating Yukana, but she accepts it in hopes of potentially marrying him.

**Where to go in Fuji**

Fortunately, this bad standing blows over as time passes, especially after the trip to Kyoto. Dai and his friends challenged him to a fight in the parking lot right outside, and with the intervention of Ranko, Minoru, Sakamoto, and Ishida, he won the fight and ran off to find Yukana.

### **Jun Fukuzoe**

However, in Volume 14, Prelude 4, Yukino admits to Yui that she has feelings for Hachiman—her first-ever confession of love to anyone.
