In 1964, Khomeini was exiled and settled across the border in Iraq, where he sent radio messages to incite his supporters. Now that the Shah is gone, the US propaganda machine and the mainstream media put out a flood of stories about how wonderful life was under the Shah. Additional contributing factors included reports of oppression, brutality, corruption, and extravagance.

The mainstream media was shocked too, since they had swallowed their own propaganda. And in 1978-79, watching the television footage of mass demonstrations in the south of Tehran and the triumphant return of Khomeini, I remembered some other details of my Persian summer, when I had stayed with, and been shown the country, by my formidable aunt. Churchill accused Mossadegh of being a communist.

. We have only to answer, and they will fulfill our wishes Because the House of Pahlavi were a parvenu house as Reza Khan had begun his career as a private in the Persian Army, rising up to the rank of general, taking power in a coup d'état in 1921, and making himself Shah in 1925, Mohammad Reza was keen to gain the approval of the older royal families of the world, and was prepared to spend large sums of money to gain that social acceptance. He had been arrested, tortured, imprisoned and then exiled to France for his outspoken.
