Born in London's East End, the photojournalist never married or had children and was instead wedded to the job. For example, in 1968, Barbara Castle became the first and only woman to be appointed First Secretary of State and women began finding a voice in society and the running of the country. Kennedy drives through Grosvenor Square, 1961.

## What Was Swinging London? Mods, Miniskirts & Music In '60s England

Widespread protests against the Vietnam War erupted while the end of the decade gave rise to hope as the world witnessed for the first time, a man walking on the moon.

### Frank Habicht

The aptly-named picture editor Diana Dare became Mrs Terence Donovan after meeting the photographer on a London Life shoot.

## 66 Photos From The 1960s, The Decade That Rocked The World

Her fashion designs used simple geometric shapes and colours which gave women a new kind of femininity. Everything that happened in this one English city rippled out across the western world and made the world cooler. By the late Sixties, psychedelic prints and vibrant colours began appearing on clothes as the hippie movement gathered pace.
