Deaths and obituaries

Many of his academic papers were co-written with research students, whom he always acknowledged.

CURRICULUM VITAE: Dr Christine GRIFFIN

Alan Rice : Loyal and Stoic, Capable and intelligent, Loving, And always funny. A , University of Durham Lodge no.

Postgraduate study

The thesis, on metal-cutting, was very short, about 40 pages, by later standards and was a model of conciseness. The university also owns which has a further eight courts and pitches for cricket, rugby union and league , squash and football. Over the following years the family flourished and the farm prospered.

Tristen Rigdon

Industry consisted mainly of many small engineering and manufacturing firms, together with the nascent gas and telephone companies. David Limb, Production Engineering - 13 July 2016 It is with great sadness that I write to inform you that my husband, David Limb, died on 13 July at the age of 56. After 1963, a single system persists, though by the 1990s this is less generally used for central filing with the growth in size of the administration and the establishment of separate filing systems in the burgeoning separate departments.
