But birch bark also contains little pictures of these amiiñkiig that can be seen very well on some special white birch trees.

## Favorite Foods: American Indian Heritage

Warm sugar was poured from the trough into makuks of birchbark. To remove as much water from the sap as possible before boiling they would let the sap freeze overnight for several nights and remove the ice from the top each morning.

## Laura Waterman Wittstock, Native advocate and co

Bruce McMillan lived with Alex's family at their fishing camp on Kodiak Island and captures the natural beauty of the Alaskan island and the intense bond of family and tradition. SKYSISTERS by Jan Bourdeau Waboose Ojibwe , illustrated by Brian Deines Kids Can, 2000. Exquisite paintings compliment this celebration of the circle of life and the connection between Oneida people and the natural world.

## Indiana Pure Maple Syrup/Annual Maple Syrup Festival

My mother had two or three big brass kettles akik she had bought from an English trader and a few tin pails from an American trader. One of a number of entries in the We Are Still Here: Native Americans Today series, which seems to be a precursor of the similar My World: Young Native Americans Today series, Ininatig's Gift of Sugar is a picture-book examination of the Anishinaabe traditions concerning sugaring. A short tale from the Anishinabe tribe preludes the detailed steps, revealing that sugar-making requires an intimate respect between the individual and the tree.

## Native American Authors and Illustrators: Picture Books

These molds were made in the shapes of moons, stars, flowers, leaves, animals and men.
