## DEVIANCY, DEPENDENCY, AND DISABILITY: THE FORGOTTEN HISTORY OF EUGENICS AND MASS INCARCERATION.

The same 2 researchers independently abstracted data and assessed quality. All homeless and near homeless youth, adults and families will be screened and assessed for the presence of SUDs or CODs. The Cost of Different Long-Term Care Services and Settings The previous section considered issues of supply independently of issues of costs.

### Health Care Services for Homeless People

The Task Force incorporated other related activities underway such as the implementation of the National Long-Term Care Demonstration Program, and established staff working groups to review research, budget, and analytical issues. During its site visits, the committee met and spoke with a number of individuals identified as case managers.

### Schizophrenia Assisted Living Options for a Loved One

Objectives include: 1 helping families obtain and stabilize in permanent housing; 2 providing a coordinated approach to accessing mainstream benefits for all family members; 3 supporting families to increase income; 4 improving parental functioning through SUD and COD treatment; and 5 improving child wellbeing through developmentally appropriate supports. Paraprofessional outreach workers approach homeless or alcoholic people on the streets and assist them in obtaining financial entitlements and then permanent housing.

### Schizophrenia Assisted Living Options for a Loved One

**Total System Costs** Even if a particular service provided in the home is cost-effective, the issue of who pays becomes relevant. LOMBARDO, THREE GENERATIONS, NO IMBECILES: EUGENICS, THE SUPREME COURT, AND BUCK V. Among the social services studied were transportation, personal care, housekeeping, social activities, emergency assistance, food shopping, and food preparation.

#### **NIMH » Chronic Illness and Mental Health: Recognizing and Treating Depression**

Preliminary results of a DHHS survey reported that of 13,138 beds proposed to be added in the last six months of 1979, 86 percent, 11,290 beds, were approved.

#### **Community residential program policies, services, and treatment orientations influence patients' participation in treatment**

Connect at least 80% of GPRA clients to primary health care services when a need is presented. In addition, the Assistant Secretary for Planning and Evaluation and each principal operating component in the Department established a long-term care organizational unit or function to signal its commitment to this key policy area and to ensure permanent staff capacity for these activities.

#### **Cost**

**Asylums, Sterilization, and Medical Experimentation** As concern mounted over the ever-rising numbers of feeble-minded and mentally ill, permanent correctives began to be sought. Most observers agree, however, that a substantial proportion of the institutionalized population has problems associated with chronic alcoholism. Key project partners include Nashville-Davidson Metropolitan Homelessness Commission, housing agencies, youth- and Veteran-serving agencies, health department, etc.
