Galway V Limerick: Best Walking Trails in Each County

I'd only heard it once before, on the BBC TV show, Top of the Pops, and like a hunter tracking his prey, I waited in the long grass for it to be played, as it must be I reasoned, on Radio Eireann, our only radio station in Ireland in October 1970.

The group started gathering slowly from around 13:30 excited for the tour to begin at 14:00 the group chatted eagerly together. The best way to explore the most popular and hidden restaurants.

Old Galway

The tour ends with coffee, tea, and dessert at a local bakery. It was really great to see Keiran and Deidre and Andrew who are to be married later on this year. Maybe sitting in a cafe somewhere in the south of France or indeed some place in northern Italy, the sun warming the concrete and the mood of the people as the stroll around the streets.

Burren Mountain Walking Tours

This partially wooded hill contains examples of the famous Burren flora, the Spring Gentian and the Purple Helleborine to name but two species.
