Transcript: Wildfire Episode Four: A Retrospective

But it also has the power to take away and to destroy. To me, most poetry comes off as thinking it is Better Than You, which I find annoying.

Arcade Fire: A Retrospective

The 40-to-60-mile-per-hour gusts in the mountains carried embers far west of the Colby Fire, igniting multiple new fires at least a half mile ahead of the main fire along the San Gabriel Mountains and towards Azusa.

Woolsey Fire retrospective: Homeowners share lessons they learned

In the end, it got made.

Woolsey Fire retrospective: Homeowners share lessons they learned

Jance does in this book.

After the flames: The story behind the 1969 Cuyahoga River fire and its recovery

Meanwhile, three young men who literally threw caution to the wind were fleeing the hillside from the fire they ignited. Jance has experienced in the second half of her life.

The forest is on fire : A natural experiment on retrospective voting after the wildfires in Värmland of 2018

Two are badly burned as a result of that. He has become the biggest fan of it.

After the flames: The story behind the 1969 Cuyahoga River fire and its recovery

As mandatory evacuations were initiated and residents were prevented from entering streets closed to the fire, 159 law enforcement officers

continuously patrolled the evacuated neighborhoods, ensuring homes and property were protected. The amendment was passed by the government soon after the ruling.

Arcade Fire: A Retrospective

. Other large trees loom over the house on the south, running counter to the conventional wisdom to keep the area around our homes clear of overhanging branches. An intense-two day winter storm struck in late February and early March of 2014, the first to strike after the fires, dumped mud and rain into Glendora foothill streets and backyards.
