**'Like Products' in International Trade Law: Towards a Consistent GATT/WTO Jurisprudence (International Economic Law Series): Choi, Won**

The measure was thus considered to be provisionally justified under Article XX g. Appellate Body Report, Japan — Alcoholic Beverages II, p. The book's most notable achievement is in presenting an economic interpretation of 'like products'.

**'Like Products' in International Trade Law: Won**

The central thesis of this book is that despite the centrality of the principle of 'like products' to the WTO, it has not been consistently interpreted, and therefore the risk of discriminatory practice remains.

**'Like Products' in International Trade Law**

The book's most notable achievement is in presenting an economic interpretation of 'like products'.

A related question: the issue of processes or production methods PPMs An important question in relation to environmental measures is whether

products may be treated differently because of the way in which they have been produced even if the production method used does not leave a trace in the final product, i. Check on the provider's whether it is in fact available. Trade disputes will often involve an examination of whether the products in question are in competition with one another.
