

Continuous cultivation of microorganisms - proceedings of the second symposium held in Prague, June 18-23, 1962.

Pub. House of the Czechoslovak Academy of Sciences - CSIRO PUBLISHING

Description: -

-
Bacteriological Technics -- Congresses.
Culture Media -- Congresses.
Fermentation -- Congresses.
Microbiology -- Cultures and culture media --
Congresses. Continuous cultivation of microorganisms - proceedings
of the second symposium held in Prague, June 18-23, 1962.
- Continuous cultivation of microorganisms - proceedings of the
second symposium held in Prague, June 18-23, 1962.

Notes: Includes bibliographies.
This edition was published in 1964

Conference Presentations

Geological Survey Water-Resources Investigations Report 93-4153, 92 p. Geological Survey Water-Supply Paper 2282, 88 p.

CiNii Books 著者

Herkelrath WN , Delin GN 2003 Long-term monitoring of soil-moisture in a harsh climate using reflectometer and TDR probes. I dedicated it to them, it is called At adamah You Are the Earth , and it is a song about the Negev desert. The culture of modern Israel in the broadest sense, with its native sabras and immigrants from the world over, is an intricate fabric of national and ethnic origins, languages and dialects, customs and traditions—a heterogeneous culture of cultures.

Bioplastics

Conclusion Bioplastic is an important innovation and it would offer sustainable and eco-friendly alternatives to avoid the plastic pollution.

Continuous Cultivation of Microorganisms

Hallet PD , Feeny DS , Baumgartl T , Ritz K , Wheatly RE , Young IM 2002 Can biological activity dictate soil wetting, stability and preferential flow? Guo, Weixing, and Langevin, C. Geological Survey Open-File Report 86-86, 226 p.

Meetings — Phycological Society of America

The transformation was gradual and lasted for several generations. Geological Survey Water-Resources Investigations Report 93-4162, 33 p.

Bioplastics

Atomic Energy Commission: , also by Charles V. Correspondence with County Judge Bill Elliott, December 1967 and January 1968, concerning contract for indigent care between Hospital District Board of Trustees and Baylor University College of Medicine.
