## The Hector Berlioz Website: Berlioz and Beethoven

Berlioz was married twice and had one child, a son Louis. In 1824 Berlioz graduated from medical school, after which he abandoned medicine, to the strong disapproval of his parents.

Among the many subtle changes to be noted is the spelling of 'Eurydice'; in the 1859 publication she was 'Euridice'. This left Berlioz heavily in debt to the tune of 5000 to 6000 francs.

## Who influenced Hector Berlioz?

He runs around among the one hundred musicians who fill the stage at the Conservatoire; and even though these excellent artists from the Societe des Concerts comprise what may well be the most admirable orchestra anyone has ever heard, he begs, he growls, he supplicates and stirs up every one of them. The evidence is on my side: in the Fantastique we get the Ball, the March, the Witches' revels.

## Berlioz: Biography

Discovery The precise point at which the revelation came is unclear, though it was around the end of 1827 and very early in 1828 the Memoirs do not mention any precise occasion.

## Berlioz the Bear Unit Study

No wonder also that in his Berlioz was often conscious of the presence of the great master. Hector Berlioz that he do for us what he had done for the Theatre Lyrique.

## Les nuits d'été

Symphonie fantastique, second movement excerpt All four of Berlioz's symphonies differ from the contemporary norm.

## The Hector Berlioz Website: Berlioz and Beethoven

This leads inexorably into the exultant hymn 'Complices de sa gloire', at eighty bars to a minute. The first version, written at the Villa Medici, had been in fairly regular rhythm, but for his revision Berlioz made the strophic outline less clear-cut, and added optional orchestral parts for the last stanza, which brings the song to a quiet close.
