Elections in Nicaragua

Boulder, Colorado: Westview Press, 1986. The crisis regarding the separation of powers and judicial independence deepened in 2010. All independent news program broadcasts were suspended.

The 1990 Elections in Nicaragua and Their Aftermath

A vocal critic of the dictatorship, his murder galvanized support for the Sandinistas against the dictatorship. Even more precise analysis shows that areas with well-functioning, effective state and collective farms gave the majority of their votes to the FSLN. In the aftermath of the elections, in which the CSE limited international observation to the Council of Latin American Election Experts Consejo de Expertos Electorales de Latinoamerica , and refused to accredit national groups with a long-standing history of observing elections, there were.

Nicaragua's Transition of State Power: Through Feminist Lenses

Little wonder that, according to post-election surveys, only 43. Key to understanding this erosion is knowledge of the real dynamics of the National Assembly, which appoints the leaders of what are supposed to be autonomous state institutions the Supreme Court, the Electoral Council, et cetera. Addressing issues largely unexamined in Latin American studies, Learning Democracy is a unique and probing look at how the country's mass electorate moved beyond revolutionary struggle to establish a more stable democratic government by realizing the vital role of citizens in democratization processes.
