In 1784, he attempted to help his sister-in-law Angelica reacquire one of her formerly enslaved people. This demographic revolution had important social consequences. As you read along you will ascertain whether the pressure groups and humanitarians brought emancipation to slavery.

### **Slave Trade**

They also incited the other Caribbean countries such as the French and Spanish West Indies to begin their abolition movement to emancipate slaves across the world. In 1755 they were forbidden to do so by rules of their society, and they were required to use all of the force to bring about abolition. Because the institution of slavery has exerted such momentous force in shaping the socioeconomic and political history of the Caribbean, much of the region's historical writing has focused on slavery.
