### Midgaard: The Honest Broker

He played a major role in developing cooperative programs to increase the security of Russian nuclear-weapons-usable materials.

### APS announces 2020 recipients of Julius Edgar Lilienfeld Prize and George E. Valley Prize

Lanouette, William with Bela Silard.

### The Stanford Workshops on Political and Social Issues

He has also served as an advisor to and participant in the Science and the Spiritual Quest project, and as chairman of the advisory committee for the AAAS Program of Dialogue on Science, Ethics, and Religion 2000-2002. This was his strength and, of course, also his weakness. What does this mean for our culture and our personal lives? Kistiakowsky; The Politics of Decision Making: Strategy, Cooperation and Conflict.

### The Stanford Workshops on Political and Social Issues

Step outside your field, and the odds of missing something new and important are much higher. Primack shared the APS Forum on Physics and Society Award in 1977 with Frank von Hippel of Princeton for their book *Advice and Dissent: Scientists in the Political Arena* Basic Books, 1974; New American Library, 1976.
