It also doesn't say that 35% of people abused go on to becoming abusers. However, even more deeply concerning as I was sexually abused as a young boy 7-10 yrs old by my older sister.

**9780449906293: Abused Boys: The Neglected Victims of Sexual Abuse**

They were less likely to be happy, satisfied with life and feel their lives were worthwhile than those who were not abused as children. More than half 57% of women who were survivors of child abuse experienced domestic abuse as an adult, compared with 41% of men.

**Abused Boys: The Neglected Victims of Sexual Abuse by Mic Hunter**

They might reject guys that are not aggressive or sexually abusive because the subconscious got better prepared for other type of relationship, an abusive one. I stayed on the veranda for what seemed like hours frightened, scared and confused until I heard my mom's car horn from the distance. It might also be a way to cope with the trauma.

Now my entire family has turned against my wife and I as we're pursuing the truth for our daughters sake. Sending you and your daughter all my love. A long overdue book by a psychologist who has extensive clinical experience treating male victims of child sexual abuse, it explodes the myth that sexual abuse of male children is rare, or that the consequences are less serious than for girls.

**Abused Boys: The Neglected Victims of Sexual Abuse by Mic Hunter**

Luckily one of them told their parents who then contacted the school and a full investigation began. So MOST child sexual abusers were never victims.
