Shadow Witness Bot

When I read the first pages I wondered if I liked the subject. I loved every single one of them. Silence is a pretty cool, tough main character whom I liked a lot.

Not everyone gets their happy ending, but the little things that make you smile or happy cry make the broken hearts hurt a little less. Moulton didn't go down that route. And if you read the first two books and think they're the best thing ever? I received this book through Goodreads.

Silence and Shadows book by James Long

There has never been a more well written strong character than her.

This fantastic, final book to the Angelfire trilogy concludes with more thrilling action and more powerful, emotional interactions among the characters. .

Shadows in the Silence by Courtney Allison Moulton

I wanted to know the outcome of Annie's situation and if it would play out as positive or negative in her near perfect life. But I think Courtney gave

us a darn good ending.

Shadow Witness Bot

Even in the darkest times, Moulton created a world that still had that ray of hope. Shadow Witness is your Shadows of Silence social activity manager for a more fulfilling and social discord environment. .
