### What is Religious Pluralism and Why Is It So Dangerous?

Because of its respect for cultures, India allow citizens to openly practice their culture and come up with their own definition of India. True, politics is very important, but is ethnic identity? However, others argue that the concept of pluralism does not imply apartheid.

### What is Religious Pluralism and Why Is It So Dangerous?

Finally, the just mentioned tendency to be politically active would seem to place the ethnic organization in an important institutional area, if not the most important one from our point of view, considering that the political process reaches to the very heart of the alienation problem. After establishment of shared goals, concerted effort can help a people achieve those goals.

### cultural pluralism definition

According to sociologists, countries which impressed multiculturalism have reported more positive outcomes in the form of better integration of minority immigrant groups. One important example of the barriers created by individual social cognition is ethnocentrism.

### Pluralism

The use of specific minimum cut-off scores for math and verbal meant that many Asian Americans would no longer be accepted into the university.
