## Shakespeare's poetics in relation to King Lear (1962 edition)

Justice, like wisdom, family loyalty, and obedience, are inverted throughout the play.

## Shakespeare's poetics in relation to King Lear (1962 edition)

The prologue to King Lear combines exposition and action, giving the audience the necessary background information to contextualize the events about to unfold.

## Shakespeare's poetics in relation to King Lear (1962 edition)

In some Greek churches, an elaborately carved canopy, called a kouvouklion, stands over the Epitaphios. Likewise, Kent and Edgar taking up disguises enable them to guide the old men through their suffering and deliver a letter to Cordelia, but none of this prevents the death or anguish of Gloucester, Lear and his virtuous daughter.

## satis.farmjournal.com: Shakespeare's Poetics: In relation to King Lear (Routledge Library Edition)

Those few characters with integrity and courage to act upon it were far too fragmented and delayed to triumph over evil. He should be a man greater than ourselves who goes from fortune to misfortune peripeteia due to a flaw in his character hamartia.
