## Sociology of Islam

He was even more influential than his master and is often referred to as the founder of Islamic modernism. His analysis of the economic situation in pre-Islamic Arabia shows that the economic transition from a nomadic to a mercantile economy had resulted in social upheaval and general malaise. The Jihadis' Path to Self-destruction.

### The causes of Fundamentalism

Other Islamic intellectuals subscribe to a variety of reformist elements and sometimes are very critical of the Ulema, but the reforms they are interested in are mostly social and political and leave the traditional worldview of Islam unchanged. This sociological perspective on contemporary Muslim politics is a welcome addition to the literature on radicalism. THE ISLAMIC STATE The relationship between politics and religion in Muslim societies has been a focus of debate among scholars of Islam for most of this century.

### The causes of Fundamentalism

New York: Oxford University Press. Elements of the group were responsible for the in Lebanon.

### The causes of Fundamentalism

Men, in contrast, were assigned all the public roles as providers, protectors, and arbiters, and this reinforced their power in the domestic domain as well. The Israeli invasion of Lebanon in 1982 led to the group's dispersal to several Middle Eastern countries, including Tunisia, Yemen, Algeria, Iraq, and others. Well before the full emergence of Islamism in the 1970s, a growing constituency nicknamed 'petro-Islam' included Wahhabi ulemas and Islamist intellectuals and promoted strict implementation of the sharia in the political, moral and cultural spheres; this proto-movement had few social concerns and even fewer revolutionary ones.

Islamic Political Radicalism: A European Perspective. The Indonesian Islamic tradition was malleable, tentative, syncretic, and multivocal. Distancing himself from more modernizationist approaches, the author is concerned with the ideological question of whom we investigate in the past rather than how we investigate the past.
