Lutheran Church

However, anti-Christian sentiment or anti-Lutheran apologetics are not allowed. American Lutherans have wrestled with these issues off and on mostly on from the moment we got to these shores, especially in the context of being confessional versus being American.

List of Lutheran denominations in North America

Much of the practical work of the LCMS structure is as a free employment brokerage to bring the two together; it also allows the congregations to work together on projects too large for even a local consortium of congregations to accomplish, such as foreign mission work.

Hauge Synod

Much later, the LSTC faculty voted unanimously to support the revisionist sexuality policies that were proposed and accepted at the 2009 ELCA Churchwide Assembly.

Differences in Lutheran Churches and Synods

The new church quickly joined the merger conversations in the 1980s between the American Lutheran Church ALC and the Lutheran Church in America LCA. Six years later, the LCMS formed the LCUSA with several moderate-to-liberal Lutheran bodies. Most groups meet in a large synodical convention every few years, where resolutions are discussed and voted on.
