Tonic Chord

Complete cello technique is introduced from the start, providing a solid foundation and taking the player up to grade one level. A full-speed version with two bars of only audio metronome before starting to lead you to the right tempo , then metronome with accented beats for the duration of the piece; 3. Also included are the brainteasers which will make students think about the written music and playing techniques.

Cello Time Runners Piano Accompaniment Book

Kathy and David have presented workshops in the UK, Australia, Hong Kong, and Singapore. There are also some challenges along the way which test general musicianship and aural skills, such as working out the missing notes in well known pieces, memorisation and simple transposition. Many people teachers are discovering that MIDI accompaniments are great tools for helping teach difficult concepts to students.

Superstart Cello : The Complete Method, Book & CD (Paperback)

The first category consists of arrangements of the full set of six Suites, published or unpublished, by bona-fide composers with direct links to Bach reception in the nineteenth century. Characterful and easy to play, these piano parts provide the perfect stylish accompaniment to the cellist's first tunes, and help capture the spirit and mood, from jazz to calypso, folk to rock.

Music Accompaniment Tracks

Basic first position is introduced in a logical manner and there is a brief introduction to harmonics and fourth position which is to be applauded. The book also presents initial warm-up exercises and practice tips.

Superstart Cello : The Complete Method, Book & CD (Paperback)

The accompanying CD provides all the piano accompaniments, with unique cue entries to help beginners get started. Her teaching experience has led her to co-author Fiddle, Viola, and Cello Time, published by Oxford University Press, with her husband, David. Includes many of the great sonatas and concertos written for these instruments, as well as lots of attractive smaller works.

Piano Accompaniment Tracks

It's easy: You play the soloist part, and then your computer plays the accompaniment part.
