To me, the inserting of the word being into all our passive verbs, seems the most monstrous absurdity ever broached in the name of grammar. The singular number is that which denotes but one.

[src/public/js/zxcvbn.js](#)

On some occasions, these adjectives may well be substituted for the articles; but not generally.

**The Grammar of English Grammars/Part II**

Any person, number, gender, case, or other grammatical modification, is really but one and the same thing, in whatever part of speech it may be found. The state of a widow. Of Objectives by prepositions, in Rule 7th; 5.

**Anne of Green Gables, by Lucy Maud Montgomery**

The words may with much more propriety be parsed separately, the degree being ascribed to the adverb--or, if you please, to both words, for both are varied in sense by the inflection of the former.

[src/public/js/zxcvbn.js](#)

Syntax treats of the relation, agreement, government, and arrangement, of words in sentences. And I must say I like her myself—although I admit

she has her faults. Volume 44 London: The Royal Historical Society, 1992 , pp.

[src/public/js/zxcvbn.js](#)

He considered a party that systematically opposed the government to be more appealing than a party that did so occasionally On the Spirit of Patriotism pp. When, therefore, any words usually belonging to this class, are found to take either the plural or the possessive form, like substantive nouns, they are to be parsed as nouns.

### **Anne of Green Gables, by Lucy Maud Montgomery**

Here one signification is characterized as being both original and present.

### **The Grammar of English Grammars/Part III**

And good afternoon, dear gray house up on the hill. And if this is right, the article may be said to relate to the epithet only, as it appears to do. With all his deliberation, this gentleman has committed one oversight here, which, as it goes to contradict his scheme of the passive verb, some of his sixty venerable commanders ought to have pointed out to him.
