The Art of Deception in Politics: The Psychology of Persuasion

Experts advise people to generally exercise skepticism, especially at information that is surprising, and to always check the reputation of news sources.

Art of Deception

Real stories, with change of name and place Understandable. So, to prove to his hapless cousin that all actresses are title-hunters, Darius will persuade Calista to assent to his marriage proposal! True stories demonstrating why we stay indisputably the security's weakest link. Part 1: Behind the Scenes.

The Art of Self

The world's most infamous hacker offers an insider's view of the low-tech threats to high-tech security Kevin Mitnick's exploits as a cyber-desperado and fugitive form one of the most exhaustive FBI manhunts in history and have spawned dozens of articles, books, films, and documentaries.

The Art of Deception

That every story reads like a bad and I mean bad noir film isn't just annoying; it makes them much less credible.
