This eventually lead to his employment in the Esterházy estate, which helped him develop his defining style and success. They abandoned the intermingling of several voices in the canon style of Ockeghem in favor of imitation of duets and trios that would build in texture to five or six sections. The Vintage Guide to Classical Music.

The History of Classical Music

. This stupefyingly dull record is appalling.

The History of Classical Music

I couldn't get through this one.

Best Books For a Beginner

They are also far removed from those fondly, if deceptively, remembered as constituting a Golden Age.

Beethoven or Bust: A Practical Guide to Understanding and Listening to Great Music by David Hurwitz

Each first played a piece already in their repertoire. Possible clean ex-library copy, with their stickers and or stamp s.
