## British Library EThOS: Charles Rennie Mackintosh : architectural drawings catalogue and design analytical catalogue

We have a large selection of out-of-print scholarly books on the history of the visual arts from ancient times to the present, with many titles in European languages. Bookplates, short inscriptions, and other unobtrusive imperfections are generally not noted. This catalogue locates and classifies the existing architectural drawings from his school days to his final project including one which was previously unknown with a complete photographic record.
