### Bonhams : Impressionist and Modern Art

Conclusion Both impressionism and post-impressionism are late 19 th-early 20 th-century art movements originated in France. He painted such works as Where Do We Come From? As such, the Impressionists embraced coeval advances in color theory, color harmony and color mixture, particularly those submitted by the French chemist Eugene Chevreul.

However, post-impressionist artwork had diverse characteristics and styles that differ from artist to artist as there were many

Filesize: 56.22 MB

individual artist painting styles such as Pointillism, Japonisme related painting style, pictorial form style, Synthetism style, Primitivism style, etc.

### What is Post

Objective and subjective elements are deliberately indistinct; optical truth is intermixed with emotional response.

### What is Post

The movement made its official debut in 1874 in a show hosted by the Paris photography studio of. Furthermore, in articulating color through pure points, rather than obscuring brushwork through blended shades, Monet visually unites disparate forms the bush, the expansive middle-ground hedge, Camille's foreground bouquet , lending compositional balance through the repetition of color, in this instance, red.

### 25 Most Famous Impressionist Paintings

Woman Reading by Edouard Manet is a painting produced by Edouard Manet in 1879. For this reason, the U.

### **Impressionism, Post**

The french artist painting this painting in his family home. Chevreul determined that: colors in proximity influence one another; that, when left autonomous, any color appears surrounded by a slight aura of complementary color; that, at a distance, the eye reflexively fuses proximate, disparate colors into a single tone. .

### **Impressionist and Post**

Hence, their choice of the subject matter was not dominated to urban life as many post-impressionist artists developed their individual artistic styles away from the city life of Paris.

### **Impressionist and Post**

The same treatment of shadow is evident in the features of Camille. This remains one of the famous impressionist paintings ever made. Provencal peasants daily life is shown as they are smoking pipes and playing cards.

### **What is Post**

Initially derided by critics, Impressionism has since been embraced as one of the most popular and influential art styles in Western history.
