Gandhian concept of Non

To go no further, a photograph of a person eliminates the actual physical warmth of that person, or the softness of his skin, not to mention all his mental and emotional qualities.

Anabaptist Technology: Lessons from a Communitarian Business by John Rhodes

Many of the leading transhumanist thinkers hold views that are under constant revision and development.

The utilitarian scientist: The humanization of scientists in moral dilemmas

The idea of two human species, one being at a great physical and economic advantage in comparison with the other, is a troublesome one at best. This marks the process of dehumanization of man which was started by factory system reaching its culmination at the IT Phase. The diagram, which has been altered and even parodied over the years, dates back to a Time-Life Books illustration from the 1960s.

Gandhian concept of Non

Many factory workers, not to mention the unemployed, lived in squalor and misery.
