“The Tragedy of American Compassion”

Dull, repetitive, and no secrets.

9781433501104: The Tragedy of American Compassion

Through most of the first century, the underlying principal was only to help those who would help themselves or at least not hurt themselves.

Olasky took on the role of a homeless man Olasky outlines the history of 'compassion' for the downtrodden in the U. More recent writings, such as Toxic Charity and When Helping Hurts, have expanded on this point, which we would recommend for charity leaders and workers who desire a lighter and more practical read. Can a man be content with a piece of bread and some change tossed his way from a passerby? By far one of the most interesting non-fiction books I read last year was Life at the Bottom by Theodore Dalrymple.

[The Tragedy of American Compassion]

A really interesting book that traces the effects of indiscriminate charity and how it affects the recipients. The major change was that a much higher percentage of those who were eligible suddenly decided to take advantage of welfare benefits. Overall, the writing is fine, at times pithy, but not particularly memorable.
