## A Consensus Proposal for a Revised Regional Order in Post

It is the aim of this research network to interrogate sustainability challenges in the coastal zone from the perspective of the emerging field of socio-technical transitions SST research. Figure 1: Thematic Summary of Discussion Points, 3rd Meeting of the RSA Research Network on Sustainability Transitions in the Coastal Zone Themes of resilience and sustainability as related to blue economy activities, issues of governance and justice and cross-cutting themes of gender and intersectionality emerged as being of particular interest and in need of more in-depth, transdisciplinary and place-based research investigation Figure 1.

30 countries sign up to “information and democracy” partnership started by RSF

RAND's publications do not necessarily reflect the opinions of its research clients and sponsors. We recommend delegates to not seek alternative land or sea routes and only seek reliable information source such as Bali Ngurah Rai International Airport website which issues official statements for travellers and travel agents. The scope for developing a practice-focused and case-study based edited volume to follow up on work published in Heidkamp, C.

Conferences

We may collect, store and use the following kinds of personal data: 1 We will typically hold your name and contact details, including telephone number, location, and e-mail address. About Skálanes, East Iceland Skálanes nature and heritage centre is situated in a beautifully restored Icelandic farmhouse set in its own nature reserve at the mouth of Seyðisfjörður East- Iceland. This event has been reformatted in consultation with members to deliver the same high value content in a more accessible way, spread out over the course of the coming months.
