### What Is a Bibliography?

If this happens, then you will need to list each work in a separate entry, but the way you go about doing this depends on the documentation style that you are using for the assignment.

### Create a bibliography, citations, and references

Treat hyphenated names as one name.

### What's a Bibliography?

Lamott offers sane advice for those struggling with the anxieties of writing, but her main project seems to be offering the reader a reality check regarding writing, publishing, and struggling with one's own imperfect humanity in the process.

### Writing a Bibliography (examples of APA & MLA styles)

That is why each source you use must be listed in a detailed bibliography with enough information for someone to go and find it by themselves. The lengths of the annotations can vary significantly from a couple of sentences to a couple of pages.
