On the edge of madness: the terrors and genius of Alberto Giacometti

Alberto Giacometti grew up in Switzerland in the Val Bregaglia alpine valley, a few kilometers from the Swiss-Italian border. To get away from this frustration, Giacometti had begun to work from memory.

Alberto Giacometti Sculptures+, Bio, Ideas

And in the final busts of Annette, there is a resilience that the sculptor appears to forge with gratitude. There is the goddess Isabel, the whore Rita, the virgin Flora. Even if you look at a cat, it always looks you in the eye.
