Book Reviews, Sites, Romance, Fantasy, Fiction

Antes pensaba que este libro estaba solamente dirigido a mujeres que se dedican a la venta directa. It specializes in the production of skin care and related products which including skin creams, cosmetics, dietary supplements, and other personal care items. Consumer scientists are also employed to conduct important live product testing on people, not animals.

Mary Kay

She was so good at making the sale that she was hired away by another company, World Gifts, in 1952.
